

# Power Up Your Construction Site Promo

Valid July 22 - October 31, 2024

Midwest Electric provides temporary power with our Site-Power™ unit to keep your construction sites running smoothly. Whether you are rebuilding after storm damage or starting a new construction project, each unit comes equipped with factory-installed and wired components to ensure a reliable and safe power source.

Don't miss out! Our promotion is only valid from July 22 to October 31, 2024.
